

STOCKLINCH CALENDAR GIRLS – THE INSIDE STORY – A BUGLE SCOOP

Within the quiet hamlet of Stocklinch reside many lovely ladies. One coffee morning, the ladies hatched a plot to raise funds for the Village Hall. Ace photographer, Dave Bailey II agreed to do the secret shoot in one of Stocklinch's more substantial residences (The owner eagerly offered his fireplace). David took the first pic. with the ladies scantily clad but our bevy of beauts decided in for a penny and stripped off for the full Monty! What fun they tittered. Sadly, the negatives were destroyed but The Bugle's ace snoop spotted the above tucked away in the home owner's bookshelf.
